

# Welcome

✓ After having a major surgery and getting home from the hospital, do you immediately regain your strength?

✓ As you enter your golden years, do you feel like you could use more help now with daily tasks than you did before?

✓ Is there someone in your family who is disabled, injured or infirmed?

✓ Were you diagnosed with chronic illness? Do you need help with health management?

These are common questions and situations that many families across the nation are going through. **Health Star Home Care LLC** understands what it is like and if your family is going through the same, we are here to provide you with help.

We are a provider of home health services licensed by the state of Massachusetts. We serve all the cities and counties in the state. Our team is composed of professionally trained and extensively experienced home health care professionals from various disciplines including nursing, rehabilitative therapy and medical social work.

## About Us

---

**Health Star Home Care LLC** strives to be your ally in better health management at home. Whether it's old age, disability or chronic health that is affecting your quality of life, we have a corresponding customized care plan to offer.

These care plans are tailored to your specific health conditions. At the start, we make time to evaluate your home health needs either by visiting you at home or when you drop by our office. The important thing is that we know what you need. This allows us to prepare our team of care professionals to address those needs.

**Health Star Home Care LLC** also works with your physician to ascertain that the care we provide is aligned with your recovery plan. The close coordination with other clinicians is important to promote positive health care outcomes for you.

## Services We Offer

---

**Health Star Home Care LLC** offers multi-disciplinary care to clients at home. We work with registered nurses and licensed therapists to assist you in facing your health issues. We have medical social workers and case managers who can emotionally support you and arrange for continuous care as you return home from the hospital.

**Here are the different services we offer to clients all over Massachusetts:**

- ✓ Skilled Nursing
- ✓ Physical Therapy
- ✓ Occupational Therapy
- ✓ Speech Therapy
- ✓ Home Health Aide
- ✓ Medical Social Services

## Our Mission

---

To provide professional and paraprofessional services to clients in their homes assisting them to achieve the highest level of potential in their day-to-day self-care activities. We are committed to providing high quality, multidisciplinary care by professionals who recognize the need for comprehensive assessment of needs from both the client and professional's point of view.

## Our Vision

---

We strive to be one of the leading providers of a wide range of quality home health care services, recognized for enduring dedication to provide innovative, professional, and compassionate care to the communities we serve.
